## Customer Reviews

I am in my 5th year of Spanish. This will be my last year and I wanted books that are not large but have different vocabulary that normal. The subjects of the storyline are different so the vocabulary only widens when you look up the word. The Treehouse books are awesome for spanish and having it to read to keep up so you dont forget!

This book came to me as a gift. And I've loved it ever since. Amazing story. The collection is really worth buying.

My son really enjoyed this book. It allowed him to practice his Spanish and enjoy a fun story.

Very good book

Apparently, this is an impossible item to get. I have ordered this book from two different places

through and I began my quest to get one of these books early in November, 2010. Today is four days until Christmas and I still have not received a copy of this book. How do you rate something you never received?
