I will just add this to reinforce what the other reviewer has said. If you're looking for an edition of the Preludes, this is it. I've used it mainly for "La Fille aux Cheveux de Lin". Good fingerings, helpful pedalings, clearly printed, and all around very nicely produced.

I bought this book to play "La Catedral englutida," and this book does not disappoint. The setting is clear, clean, and easy to read. Helpful fingerings and pedal markings. Complete with a dictionary/translation of Debussy's own stylistic markings. Superb!

Legible with fingering suggestions. Practicing Girl With Flaxen Hair. Folds flat for ease of placement on piano.

cleanly edited, easy to read and understand.
