Materials In Trial Advocacy: Problems & Cases (Aspen Coursebook)

Synopsis

Written by an author team with an extraordinary depth of experience in trial practice, *Materials in Trial Advocacy* uses actual cases and Trial Files to engage students in the whole process of litigation. Each chapter contains both civil and criminal problems presented at graduating levels of complexity. **Key Features** All photos and almost all other graphics have been replaced, to give the materials a modern look. Most formerly gender-specific names of witnesses replaced with gender-neutral names, so instructors can assign persons of either gender to most witness roles. A new problem concerning police seizure of a cell phone during arrest. A new problem concerning the admissibility of a social media post, in several contexts.
