Greek Tragedies 1: Aeschylus: Agamemnon, Prometheus Bound; Sophocles: Oedipus The King, Antigone; Euripides: Hippolytus

Synopsis

Greek Tragedies, Volume I contains Aeschylus's *Agamemnon*, translated by Richmond Lattimore; Aeschylus's *Prometheus Bound*, translated by David Grene; Sophocles's *Oedipus the King*, translated by David Grene; Sophocles's *Antigone*, translated by Elizabeth Wyckoff; and Euripides's *Hippolytus*, translated by David Grene. Sixty years ago, the University of Chicago Press undertook a momentous project: a new translation of the Greek tragedies that would be the ultimate resource for teachers, students, and readers. They succeeded. Under the expert management of eminent classicists David Grene and Richmond Lattimore, those translations combined accuracy, poetic immediacy, and clarity of presentation to render the surviving masterpieces of Aeschylus, Sophocles, and Euripides in an English so lively and compelling that they remain the standard translations. Today, Chicago is taking pains to ensure that our Greek tragedies remain the leading English-language versions throughout the twenty-first century. In this highly anticipated third edition, Mark Griffith and Glenn W. Most have carefully updated the translations to bring them even closer to the ancient Greek while retaining the vibrancy for which our English versions are famous. This edition also includes brand-new translations of Euripides's *Medea*, *The Children of Heracles*, *Andromache*, and *Iphigenia among the Taurians*, fragments of lost plays by Aeschylus, and the surviving portion of Sophocles's satyr-drama *The Trackers*. New introductions for each play offer essential information about its first production, plot, and reception in antiquity and beyond. In addition, each volume includes an introduction to the life and work of its tragedian, as well as notes addressing textual uncertainties and a glossary of names and places mentioned in the plays. In addition to the new content, the volumes have been reorganized both within and between volumes to reflect the most up-to-date scholarship on the order in which the plays were originally written. The result is a set of handsome paperbacks destined to introduce new generations of readers to these foundational works of Western drama, art, and life.

Book Information

Series: Greek Tragedies (Book 1)

Paperback: 328 pages

Publisher: University Of Chicago Press; 3 edition (April 19, 2013)

Language: English

ISBN-10: 022603528X

ISBN-13: 978-0226035284

Product Dimensions: 5.5 x 0.9 x 8.5 inches

Shipping Weight: 12.8 ounces (View shipping rates and policies)

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (9 customer reviews)

Customer Reviews

For many years when I taught two or three of the plays in this volume, I used an edition which is now out of print. Unfortunately, many of the translations are done in a kind of pseudo-Shakespearean, which means that the translations are denser than they need to be. The translations in this edition are very readable and effective for classroom use. A nice job translating and editing.

I used all three in this series for a college course and I'd highly recommend them. The translations aren't overly clunky and they were easy to understand.

Read this for my Text & Ideas class at NYU. The plays themselves are exciting and I actually liked how the plot developed. But make sure to supplement this with Sparknotes or whatever internet thing there is since it helps a lot! Greek tragedies are one of my favorite.

perfect study

Received product. Pleased with purchase.
