Egon Schiele, 1890-1918: Desire And Decay (Midsize) (Spanish Edition)

Synopsis

Hindering the artist is a crime," wrote Egon Schiele (1890-1918) while in prison for disseminating immoral drawings. Throughout his work sounded notes of defiance, provocation, and rebellion. Schiele's favourite subjects were female nudes and self-portraits, and he worked at his art with furious commitment, though it was not till shortly before his premature death that he began to win real recognition. Today he is seen as one of the most important of the Austrian artists to come after Klimt. This study examines Schiele's life and work via his major oil paintings and erotic drawings.

Customer Reviews

The book arrived in good condition and in the expected time. The only difference is that I ask for it in Spanish and it arrived in English, but for me is the same. Anyway I am enjoying it very much, as I enjoy all the books I buy from .
