Customer Reviews

I don't speak Spanish, but I have a toddler that I want to be able to speak it like a native tongue. When ever I see Libros Ninos, I have a look, and this was a winner. Cute story, cute pictures, simple vocabulary and it really keeps his interest in spite of the fact I can barely pronounce any of the words!

Cute little book for my Spanish language beginners. I let my high school learners read it at home and use it for a read aloud for my little ones.

Awesome book for reading to my 21 month old. She has learned much from reading these.

Great book for toddlers. Easy to understand.

Good
