Customer Reviews

I love the Clifford bilingual board book series. Bright colors, durable pages, and I love the opportunity to read to my child in Spanish, but also that if my husband is the one reading (he speaks only English), that he can read it, too. I would definitely recommend this book to any child 6 months and up.

Nice book and in excellent condition. The only problem is that the kid I bought it for already had it. However, he didn't have it bilingual as the one I bought. The translation is good, so I recommend it.

A classic novel. Better than War and Peace. A riveting tale about a dog and his bath. Two paws up!

I bought this book for my three year old son . It's very short , I recommend for 0-2 years of ages , due to the shortness of the book :)
