Customer Reviews

Awesome! Now I can actually play the songs from one of my favorite musicals, "Into the Woods". I would rate this 5 stars, but these 2 brought it to a 3.1. These songs are the film versions though (not the stage), and the prologue song is only Little Red's small part. 2. The package came damaged, with a big dent in the side. Other than that, great buy! Highly recommend it to fans.

wish it had more of the opening song...it only has little red ridding hoods part; otherwise, would recommended it to anyone

Love it

It's cool.
