Customer Reviews

This is a beautiful medley arrangement of music from The Sound of Music. It retains the character of Rogers' original orchestrations. My favorite part of the piece is the arrangement of "Climb Ev'ry Mountain," and I wish that bit went on for longer. This piece presents a good challenge for a late intermediate or early advanced pianist.

got it for music teacher present and to influence toward next year's play. spent the first week singing the songs with my daughter
