Synopsis

Written specifically for students in a group or class setting, PIANOLAB is well-known for its engaging step-by-step approach to playing the piano, as well as, helping you understand how music works. PIANOLAB develops keyboard skills quickly with the help of a practice CD, available bundled with the text at no extra charge. This collection of over 70 pieces offers students the opportunity to hear some of the varied repertoire and gain a playing partner when the instructor or a fellow student is not available.

Customer Reviews

This book makes life really easy for beginners like me. Plus, we use it in the classroom and it is very easy to follow for everyone in the class with various levels of (talent?).

This textbook was used in a piano class I was taking at college. It’s great. Strongly recommend it. I suggest getting this version of it:bla

Love this book! Very good condition, no missing pages, everything is in tact and the delivery was quick and fast! 5/5

The product was as presented and I was very pleased. Unfortunately the class was canceled due to lack of enrollment.
