Customer Reviews

Charming book with outstanding illustrations. Lessons in life through the relationship of two close friends. Used in our intermediate Spanish class to practice reading and grammatical usage. Fun choice for grown ups or kids.

This book is wonderful, my two and three year old love the book and we read it over and over. We speak only spanish to our children and try to foster the spanish language by reading to them in spanish. This book is easy to follow for the children and the characters, Sapo y Sepo, are definitely characters and your children and yourself will get a kick out of thier adventures.

Why not Sapo y Rana?
