Poptails: Cócteles Helados, Polos, Granizados, Sorbetes Y Cubitos De Hielo Con Alcohol (Spanish Edition)

Synopsis

Bring a twist to your favorite boozy drinks with this collection of more than 40 alcohol-infused treats. Laura Fyfe guides you through the simple process of transforming popular cocktails like White Russian, Irish Coffee, Cosmopolitan, Tequila Sunrise, and many others into tasty popsicles. Employing a relatively simple technique, the process enables even the most timid of hosts to create some flavorful aperitifs and summertime accompaniments. Granitas, slushes, and alcohol-laden ice creams break up the popsicle monotony, allowing you to discover new ways to enjoy your favorite spirits and entertain with style.

Book Information
