The Daily Book Of Classical Music: 365 Readings That Teach, Inspire & Entertain

Synopsis

Music lovers of all ages are drawn to the pure melodies of classical music. Now aficionados of this timeless genre can learn something about classical music every day of the year! Readers will find everything from brief biographies of their favorite composers to summaries of the most revered operas. Interesting facts about the world's most celebrated songs and discussions of classical music "meets" pop culture make this book as fun as it is informative. Ten categories of discussion rotate throughout the year: Classical Music Periods, Compositional Forms, Great Composers, Celebrated Works, Basic Instruments, Famous Operas, Music Theory, Venues of the World, Museums & Festivals, and Pop Culture Medley.

Customer Reviews

If you love music, want to learn about it, but don't have a lot of time, this book is for you.

Several authors contributed to this educational yet accessible classical music lesson book. They make it fun and easy by just learning one important thing in classical music history a day. This way you don't get over-whelmed because there is so much to know about the subject. It will teach you everything from the technical side of the music to the history of the composers and the most significant pieces composed. There are 365 lessons. One for each day of the year, although I haven't done one every day. It doesn't matter how long it takes you, in the end you've learned 365 things about classical music. The one I'm reading was published in 2010. I'm

sure there are newer version out there by now. I would definitely recommend this book for a beginner just getting into classical music.
