Le Plus Long Circuit (French Edition)

Synopsis

• The longest home run in the history of baseball was hit by a girl. • So begins a baseball misadventure in the village of Ste. Justine. This time, a strange girl named Adeline shows up at the daisy field where Roch and his friends play baseball all summer. She proceeds to hit a towering home run right through the window of the crankiest man in town. Adeline has other powers as well, which Roch and the boys discover at a magic show. But without the baseball, the game cannot go on. When Adeline literally disappears, who do you think has to get the ball back? From the Hardcover edition.
