# Ahora Hablo Medical Edition Simple Steps To Communicate With Spanish-speaking Patients (Spanish Edition)

## Synopsis

English-deficient, Spanish-speaking patients are to be found in every community clinic and public hospital emergency room in the country. Now there is "¡Ahora Hablo! Medical Edition", a handy, pocket-sized bi-lingual language guide specifically designed for health-care professionals needing to communicate with Spanish-speaking patients about their medical needs. Included in this superbly organized guide is an extensive vocabulary for almost any medical situation including general health issues, emergency situations, cardiology, obstetrics, dental services, vision, pharmaceuticals, and a great deal more. Medical and health professionals will be able to utilize "¡Ahora Hablo! Medical Edition" to develop fluency and a proper accent with each word being presented with its phonetic key based on English pronunciation. With its simple steps for communicating with Spanish-speaking patients about medical and health matters, "¡Ahora Hablo! Medical Edition" will prove to be an indispensable, invaluable resource for all concerned.

## Customer Reviews

I bought the kindle version of this book, and was very disappointed. The kindle version does not have a functional Table of Contents, and each section is just a list of phrases, not well organized.
