Hogares, Parrillas Y Quinchos Argentinos (Spanish Edition)

Synopsis

La presente obra se basa en los conocimientos adquiridos por propias experiencias, a fuerza de recorrer nuestro extenso país. Si bien se aportan conceptos técnicos y detalles constructivos, fundamentalmente se trata de transmitir el espíritu que define al asado criollo en todos sus aspectos. El encendido del fuego y su transformación en brasas. la preparación y cocimiento de carne y las achuras en todas sus variedades, y fundamentalmente, ¡la mesa compartida con amigos! El hogar, la parrilla y el quincho en Argentina, constituyen, con ligeras variantes según la región, una muestra del espíritu fraterno y alegre que caracteriza a sus pobladores.
