Customer Reviews

Great book, I love this series. My nephew doesn't usually enjoy sitting down to quietly read, but if it's for one of these dinosaur books, he will read it! Libro excelente. Me encanta este serie. A mi sobrino no le gusta sentarse tranquilo para leer, pero si tengo uno de esos libros de dinosaurios, de repente el quiere leer conmigo!

Godson is learning to read in Spanish immersion kindergarten and loves practicing with this book plus it has dinosaurs.

My son loves this book.

The book is very good, I liked the content but the packaging does not adequately protected and the book arrived very abused, the person to whom I gave it thought the book was used
