Norse, Of Course!: The Roots Of Yggdrasil

Synopsis

Norse, of Course! The Roots of Yggdrasil is an illustrated story for children. Read along as Odin reflects on the great war & the ways of the Vanir, pursues wisdom to advance the Norse culture, and introduces the first three of the nine laws. The Norse, of Course! book series for children is Norse mythology retold as historical fiction in this original fully illustrated series. The stories are based on the Eddas and Sagas. Modernized in fun rhyme with whimsical pictures, each book in the series features the Norse ancestors and their evolution. Norhalla, LLC is organized for the preservation and education about Norse and Germanic culture, mythology, belief and history through art and literature.

Customer Reviews

This book is very cool! It was sort of my first exposure to the Nordic history or culture and has inspired me to learn more. The lessons are written simply enough for children to understand, while being complex enough that they should should also apply to adults!

It's awesom
