## Synopsis

Take a trip to the pond and learn how a tadpole grows up to become a frog in this Spanish-translated nonfiction book for early readers. Featuring vibrant photographs, illustrations and simple, informative text, readers are sure to be delighted! About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
