Customer Reviews

Directly on point, with very little fluff. It was almost scary, I didn't feel comfortable accepting the fact

that the answer to my question was in just one page and easily located. On the other hand, some of the fluff could have been cut out. In its place, some visual representations of the entire litigation process, from beginning to end, would have made this book the perfect reference. Overall, a very good buy.

The books were not perfect, but in good condition for 3 months use.

The book is ok. Came with notes written in it.

Fast shipping thanks love the book!!!

Good deal n service .
