Remedies, Cases And Materials (American Casebook Series)

Synopsis

Remedies Eighth teaches students how to traverse the complex territory of choice and measurement of plaintiffs' remedies. Accessible and readable decisions build on upper-level students' first-year courses in contracts, torts, property, constitutional law, and civil procedure. Remedies Eighth is organized to teach students how to choose and measure damages, injunctions, and restitution. It emphasizes the lawyer's tactics in addition to the court's decisions. It examines law and economics in selecting between tort and contract remedies. Remedies Eighth cites and discusses the freshly minted 2011 Restatement (Third) of Restitution and Unjust Enrichment. New decisions in Remedies Eighth examine actual damages, medical monitoring, the American attorney-fee Rule and the private-attorney-general exception, the Supreme Court's punitive damages opinions in *Exxon Shipping Company v. Baker* and *Philip Morris USA v. Williams*, state constitutional limits on damages caps, *eBay v. MercExchange* on the elements for an injunction, the standard for a preliminary injunction in light of *eBay v. MercExchange* and *Winter v. Natural Resources Defense Counsel*, unconscionability in a contract to arbitrate, and contractual limitations on recovery of damages.

Got me through Law School and the Bar.

Just glad I graduated....

Worked for me.

Great book

I checked the resale value of the book - which I purchased new - and it was dismal at best, but the book - like all case books, is expensive on the front end. I personally think all case books are a waste of time and money. For part time law study, I purchased the new casebooks, but I will not be purchasing any future ones. What you need to buy are the Case Brief Books which cost far less and have much more useful information in them - and it is easier to use! Also, Use a Commercial Outline like Gilbert's Law Summaries. I suggest that instead of ANY casebook, that you purchase a Gilbert's and the Case Brief Book for the casebook you are supposed to buy - but if they don't have one, just get any case brief book for the subject. Oddly enough, if the case is important enough - it will be in ALL of the case brief books, and if it is that important, it is on Wikipedia too!
