La Traviata: Melodramma In Three Acts, Libretto By Francesco Maria Piave The Piano-Vocal Score (The Works Of Giuseppe Verdi: Piano-Vocal Scores)

Synopsis

Now one of Verdi's most beloved works, *La traviata* was initially far from a success. Verdi declared its 1853 premiere a "fiasco," and later reworked parts of five pieces in the first two acts, retaining the original setting for the rest. The first performance of the new version in 1854 was a tremendous success, and the opera was quickly taken up by theaters around the world. This edition presents the piano and vocal score for *La Traviata*, as reduced from the critical edition of the orchestral score by Fabrizio Della Seta, the first edition to include original 1853 settings with Verdi's revision.

Customer Reviews

This is the right edition for Verdi operas. Very clear and useful!

Very good book. Every song and every note is there. This is my favorite opera and I had a ball singing along with the songs from the book. The only problem was that the songs did not hold titles, it was just a continuous flow.
