Customer Reviews

1.5/ 5 Stars The story sounded great and I love mermaids so I thought this was a good choice... Obviously, something happened if I'm rating this book so low. Yes, something happened: poor grammar and syntax! I have serious doubts about whether this book was written by someone with a good knowledge of Spanish. It seemed the author used google translator... and we all know what an aberration that is. The book could be so much more... but it fell into a black hole of missing quotation

marks, commas, full stops, question/exclamation marks, and I couldn't focus on the story. The author lacks simple writing skills. I can't recommend this book.

Historia con mucho potencial, eso si la ortografía... fatal..... ¿Editores, que ocurrió ?. De todos modos, me encantó la historia. Aunque el libro fue corto estuvo más interesante y comprensible que otros libros largos con los cuales la trama cada vez se torna más pesada, that's no good. Me gustó tanto la historia que le doy 4 estrellas...y... estar al pendiente a ver si se da la historia de... Soterios.... OMG!!!

Excelente libro lo disfrute mucho lo único malo es que es corto y ya saben de lo bueno siempre queremos mas 100% recomendado para los que gustan leer libros de este genero
