# Mexican Interiors : Art, Design & Decoration (Spanish And English Edition)

## Synopsis

In architecture, the exterior space is based on its shape, image and the way it blends into the context, while the interior space conforms to technical-economic conditions and the functional needs of daily life, being able to meet its main goal: for people to live happily. • Mexican Interiors is the sixth title and it begins a new collection focused on decor with a diversity of styles and shapes, needs and tastes, and the imagination and creative expression of the architect.

## Book Information

Hardcover: 184 pages

Publisher: AM Editores (August 2000)

Language: Spanish, English

ISBN-10: 9685336016

ISBN-13: 978-9685336017

Product Dimensions: 1 x 9 x 11.5 inches

Shipping Weight: 2.7 pounds

Average Customer Review: 2.0 out of 5 stars See all reviews (1 customer review)

## Customer Reviews

Be forewarned that this is a vanity publication -- primarily an advertisement for the firms showcased. It is very slickly done with good quality photos -- but many of the same photos are repeated among a small number of projects or homes throughout the "Mexican Interiors" series by this same publisher. The copy is minimal and more rightly "captions." If the price were commensurate with the value, it could be a good buy. But in my opinion it's way overpriced for what it is.
