Complete with two CDs this is a good primer before [or remembrance after] "Carmen." The book tells you the entire story of this Opera. After seeing Carmen at the New York City Opera, I enjoy it

again and again by listening to it and sometimes reading along with the Black Dog opera series of books with CDs.

I love the Black Dog Opera books--background information on the opera, full text and its English translation, the opera on CD. What's not to like?

Nice recording with lots of pics, the libretto and a history.

Great seller, Shipped and arrived on time as described, doing business was a pleasure and I don't say this just because...I say it because you are a great person to buy from.
