## Customer Reviews

This excellent set of scores, published by Dover, brings Dover's consummate work at a reasonable price. The editors do a marvelous job of staying true to the original text from which their reprints are derived. The print is clear, and the staves are nice and distinct. (The only concern maybe that too much erasing could permanently wipe off the ink on the page.) Instruments are clearly labeled and numberings of key pts. in the concerti help a lot. I highly recommend this book to any music enthusiast, and especially to all violinists who are playing, or will play, any of these great violin concerti.
