

## Synopsis

This bilingual edition of Poetry of Mao Zedong features both English and Chinese side by side for easy reference and bilingual support. The poems are organized and linked to enhance the reading experience. Mao Zedong (1893–1976), the first Chairman of the Communist Party of China and leader of the People's Republic of China for nearly 30 years, wrote poetry, starting in the 1920s, during the Red Army's epic retreat during the Long March of 1934-1936, and after coming to power in 1949. Although Mao was radical politically, he wrote his poems in classical Chinese forms. The bilingual study edition also contains a Mao Zedong quick study guide.
