San Francisco Houses (Designpocket) (Multilingual Edition)

Synopsis

San Francisco has long been one of America's landmark cities, a gleaming jewel on the West Coast surrounded on three sides by water, well known for its hilly streets, Victorian residences and a free spiritedness that made it the home of the Beat generation, flower power and gay pride. But over time, this "storybook city of spires and minarets" has also made a name for itself in the world of architecture and design. Victorian architecture gradually gave way to Art Deco and was followed by a modern movement that today favours a mixture of both minimalist and more decorative styles. This illustrated book takes the reader on a tour through the latest in San Francisco's residential design and uncovers yet another dynamic facet of this unique North American city.

Book Information

Series: Designpocket

Paperback: 400 pages

Publisher: Te Neues Publishing Company (September 2003)

Language: Multilingual

ISBN-10: 3823845268

Customer Reviews

Libraries specializing in architecture and interior design will want to include San Francisco Houses in their collection: there are over four hundred pages packed with color photos and discussions of the latest architectural trends of the city. Floor plans, histories, and influences are included in discussions presented in English, French, German and Spanish. The range of styles is impressive and will intrigue any student of contemporary architecture.

San Francisco Houses features four project by Levy Art & Architecture: [...]Full disclosure, I work for

this company. Having said that, I am a perfectionist and highly critical and I think this book is wonderful. We are featured on pages 44-75 of this book. Since I was a child I have always enjoyed looking at photographs of homes and of this wonderful city. Now, as an adult and a homeowner and the Office Manager for Levy Art & Architecture, I feel privileged to work with such talented co-workers and wonderful people. I think this book represents the diversity of our projects and our range of talent. Please get a copy for your house!
