Che - Los Diarios De Ernesto Che Guevara: El Libro De La Pelicula Sobre La Vida Del Che Guevara (Spanish Edition)

Synopsis

The book of the new, two-part biopic on Che Guevara starring Benicio Del Toro as the legendary revolutionary. Director Steven Soderbergh has based his two Che movies (Che: The Argentine and Che: Guerrilla) on two classic diaries written by Che Guevara: Reminiscences of the Cuban Revolutionary War (an account of the guerrilla movement led by Fidel Castro that overthrew the Batista dictatorship in 1959) and Bolivian Diary (Che's famous, unfinished diary discovered in his backpack when he was captured and killed in Bolivia in October 1967). Che: Guerrilla Diaries includes a selection from each book, showing the young Argentine's evolution from the wide-eyed medical student of the Motorcycle Diaries-era to the revolutionary hero the world knows as Che. Features: Key excerpts from Che's Reminiscences of the Cuban Revolutionary War, his final Bolivian Diary, his fiery address to the UN General Assembly, and interviews with US journalist Lisa Howard and CBS's Face the Nation during his visit to New York in December 1964. Che's first encounter with Fidel Castro in Mexico, when he immediately commits himself to join the guerrilla expedition to Cuba. The dramatic moment when Che has to decide his future either as a doctor or a guerrilla fighter, symbolized by the choice of two backpacks: one with medicine, the other with ammunition. Che's poetic letter to his parents before he sets out on the fateful Bolivia mission. Maps, chronology, and a useful glossary. Thirty-six pages of original photos from the period and stills from the movie. Movie tie-in cover. Blurbs by Benicio del Toro and Steven Soderbergh. Also published in English this season is Che: Guerrilla Diaries, 978-1-920888-93-0.

Book Information

Customer Reviews

I bought this for my father and he was very pleased with the book. He claims that it is interesting and informative while not droning on. The quality of the book was great and the shipping was quick. I'd definitely recommend!

Wonderful read and is always good to hear the other side of the story and not just a biased one! his life is an example of a real commitment to principles and integrity. Something no one shares from the Che's life...

very likely the best latin movie of the decade
