Customer Reviews

This is a very helpful tool for any singer, amateur or professional, who doesn't have the ability to accompany themselves on the piano. It makes the practicing enjoyable and saves you money by not having to hire a coach or accompanist to rehearse.

Just received vol. 1 & 2 of the MMO Schubert Songs. CD of 2 is defective so it goes back. What puzzles me is that in 's description (not on MMO website) it says: "The CD contains 2 versions of each performance: one with the solo voice, and one without..." whereas I would like someone to tell me where to look for the version that includes the vocal part, because on the CD I got sent it is sure not to be found.

I studied with the man and was honored many times to sing with him at the keyboard!! The best....!!!!

terrific piano accompaniment
