Successful First Depositions (American Casebook Series)

Synopsis

This edition features easy-to-read textual material on deposition strategy, preparation, conduct, and rules. Illustrative examples are found throughout, as well as sidebar summaries of major points. It is ideal as a text for a simulation class or as a reference for law school clinics. It includes three mock case records: an employment discrimination problem; a personal injury case; and a contract/covenant-not-to-compete case. It is also useful as a reference for new attorneys or refresher for the more experienced ones. It contains everything needed for use in an in-house training program, either a half-day training session or a more comprehensive day-long or multi-session program.

Book Information

Series: American Casebook Series

Paperback: 464 pages

Publisher: West Academic Publishing; 3 edition (March 7, 2011)

Language: English

ISBN-10: 0314916571

ISBN-13: 978-0314916570

Product Dimensions: 9.8 x 7.2 x 0.8 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (1 customer review)

Best Sellers Rank: #1,400,449 in Books (See Top 100 in Books) #38 in [Books > Law > Rules & Procedures > Depositions](#) #260 in [Books > Law > Rules & Procedures > Trial Practice](#) #11946 in [Books > Textbooks > Law](#)

Customer Reviews

As a law student, I found that my classes did not prepare me very well for taking depositions later on. I think this is a flaw in the legal education, especially considering the fact that many associates will not even get to see the inside of a courtroom for at least the first five years of their careers. Many associates will write motions and will get to take the occasional deposition. When my professor recommended this book, I thought it was going to be another "textbook," but was pleasantly surprised to find that it gives great examples for deposition outlines, and touches upon objections that may be made during the deposition as well as when they ought to be made. Overall, I find this to be a very helpful book that is truly useful to the new associate.
