Crochet Con Totora: Alfombras, Carteras, Fundas Y Canastos (Spanish Edition)

Synopsis

Crochet is a fabric-creating technique that allows you to design purses, rugs, bags, and many other accessories. Selvages (the discarded edges of woven fabric from the textile industry) are more resistant and versatile than wool or thread. This book includes step-by-step instructions for those who already have some experience with crochet. It was written and produced by a renowned specialist in this technique, who will teach us how to make many new projects such as phone cases, circular rugs, and purses.
