Rules Of The Game: Sports Law

Synopsis

Sports law is an ever-growing field that requires constant updates, analyses, and research. *Rules of the Game: Sports Law* provides the most up-to-date information on hot-button issues such as crime in sports—including sexual harassment and assault both on college campuses and in private homes—sports litigation—especially pertaining to concussions—and publicity, privacy, and defamation rights of the athlete in today's social media-crazed world where reputations can be destroyed in an instant. *Rules of the Game* is an engaging and informative book written by one of the leading authorities in the field. Michael E. Jones offers readers the basics—such as how contracts are formed, the rights of athletes, labor laws, the NCAA, and copyright and trademark laws—but also covers much more. Jones discusses such essential topics as gender equity in sports, performance enhancing drugs and testing, international competition, and sports liability. The growth of multi-million and even billion dollar sports franchises requires enhanced professionalism in the area of negotiating sports and endorsement contracts, and the major players in the sports agency field are covered in full. *Rules of the Game* contains appendixes that offer valuable resources, including a sample drug testing consent form, a standard player contract from the NFL, and a National Football League Players Association (NFLPA) representation contract. With key words and discussion questions at the end of each chapter, this book is a comprehensive yet highly readable text for both undergraduate and graduate students.

Book Information

Paperback: 230 pages

Publisher: Rowman & Littlefield Publishers (January 21, 2016)

Language: English

ISBN-10: 1442258063

Customer Reviews

Just received my copy of the book. The author is at the top of his game. The book reads easily, yet provides a concise and comprehensive examination of the most topical current legal, business and

ethics issues in professional, intercollegiate and Olympic sports. It is a must read for sports administrators, fans of sports, students in sports management and law courses, and anyone interesting in learning more about the interplay between sports' principles and law in contemporary debates. The author encourages conversation and critical thinking.
