Donizetti And His Operas (Cambridge Paperback Library)

Synopsis

This new imprint is established to publish in paperback for an individual readership the Press's most outstanding original monographs. These are titles that would normally appear only in hardback editions for specialists, but whose quality and general academic importance justify their special promotion in this prestige imprint. The series will include both new and recent titles drawn from the whole range of the Press's very substantial publishing programs in the humanities and social sciences, and therefore represents some of the best current scholarship in the English language.
