Donizetti: High Voice (20 Songs)

Synopsis

This volume brings together a collection of Donizetti's songs, some of which were published in several editions during his lifetime and in the years just following, while others have never been in print. Professor Paton has once again produced a collection that will be a valuable tool both for students of singing, and for professionals looking for fresh recital material.

Customer Reviews

Amazingly well-written anthology of beautiful melodies that helps to bridge between easier works and Italian operas. The written information about each piece sets the mood of the song. The Italian lyrics have line by line translations/pronunciations and are easy to read. Additionally, the level of difficulty in pronunciation is progressive. This is a great stepping stone that readies you for operatic studies.
