How Iran Fuels Syria War: Details Of The Irgc Command HQ And Key Officers In Syria

Synopsis

This book examines how the Iranian regime has effectively engaged in the military occupation of Syria by marshaling 70,000 forces, including the Islamic Revolutionary Guard Corps (IRGC) and mercenaries from other countries into Syria; is paying monthly salaries to over 250,000 militias and agents to prolong the conflict; divided the country into 5 zones of conflict and establishing 18 command, logistics and operations centers.

Customer Reviews

A must read about Syria. More evidence as how the root of ISIS has seeded by IRGC Corp. This essential knowledge is the key to understand the current situation in Syria, and how it effects us here at home.

A riveting account of the role of Tehran in fueling war in Syria. I read it in one sitting and have recommended it to others for their purchase and review. It is a must read for students, policymakers, & the general public!
